

RESEARCH PARTICIPANTS NEEDED FOR A STUDY ABOUT WOMEN AND AUTISM SPECTRUM DISORDER (ASD)

WHO?

- Women* who have received an autism spectrum disorder (ASD) diagnosis in the past 5 years.
- 18+ years old.

*Any person identifying as woman (cisgender, transgender, non-binary) currently, or in past is invited to participate.

WHAT?

Your participation will consist of completing short online questionnaires, which will take approximately 20 minutes of your time.

You may also indicate your interest to be contacted by the researchers to engage in two, 1-1.5-hour interviews (either virtual or in-person) regarding your experiences with ASD assessment and diagnosis.

WHY?

We are seeking to better understand the experiences of women who have received an ASD diagnosis in adulthood.

This research has been approved by the Research Ethics Board at the University of Manitoba, Fort Garry campus
